As research coordinator for Devon Family History Society, Sue Bond has been tracing her own family for many years. Since the age of the internet, it has become much easier to go ancestor hunting - wherever they come from. Hear all about the resources you can use to trace your ancestors back to the mid-19th century and possibly further.

Find out how you can trace the history of buildings in St David's, their inhabitants and how to link them with other records to re-create some unique local family stories.
